Present - Commissioners Lasker and Chase

Record of previous meeting read and approved.

Motion made by Commissioner Chase "that the Board put up for public advertising the contract for the moving of voting machines for the year 1961".

Commissioner Chase stated that in view of the fact that these machines were moved in Brookline for a considerable lower price that he felt it behooves the Board to advertise, with the thought in mind that someone like the Brookline man would appear and make a much lower bid. Commissioner Chase stated further that he felt "we were holding ourselves open to criticism if we don't put it out on public bid."

Commissioner Lasker stated that he felt something like this should be taken up when there are more members present, and that he would not second the motion.

Commissioner Lasker then stated "the motion loses itself because there has been no seconding."

In the discussion that followed Commissioner Lasker pointed out to Commissioner Chase that he had gone along with the Board in voting to permit the awarding of the contract without public advertising. ^{in past years.} He also pointed out that he had checked with the Company in Brookline and that they refused to take up the transportation of voting machines in Boston, and stated further that "when we had previously advertised the only bidder was the P.A. Milan Company - and that in 1960 when the contract was advertised the P. A. Milan Company was the only bidder."

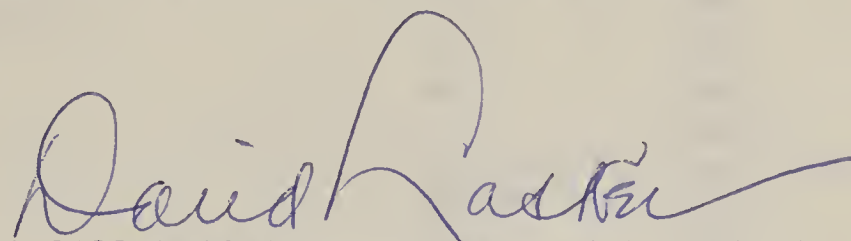

(continued)

Commissioner Chase then stated that he served notice that as a citizen and member of the Board of Election Commissioners to notify the public that he had strongly urged and recommended that this matter be put up for public advertising. He further stated that as a member of the City Council he had always advocated that contracts for over \$1,000. should be advertised for public bids.

VOTED to approve Weekly Pay Roll of permanent employes for week ending 14 February 1961, as per copy on file in office, amounting to\$4,598.40

Present - Commissioners Lasker, Pfau and Smith

Under date of 20 August 1962 Mr. Edward W. Brooke of 26 Crawford Street, Roxbury requested in writing that a meeting of this Commission be called in order to review and reconsider the ruling that "the cut-off time for Boston voters who wished to establish, change, or cancel their Party enrolment for the September 18th Primary would be at five o'clock P.M. on August 17th".

Mr. Brooke was notified to appear before this Board at 11 A.M. on Tuesday, 21 August 1962, and did so appear.

He presented in great detail his views on this matter, and at his completion, the Board, in executive session, voted to ask an opinion of the Law Department.

Commissioner Smith moved that the Law Department be asked for an opinion.

Commissioner Pfau seconded the motion.

Commissioner Lasker opposed it.

Commissioner Lasker then phoned the Law Department and as a result Acting Corporation Counsel William A. McDermott and Mr. William H. Kerr appeared at this office. They were familiarized with the matter in question and took it under advisement. Subsequently they returned to this office and rendered the following:

The Acting Corporation Counsel, William A. McDermott, was present, and understood the question to be

Whether the provision in G L, C 53, S 38, as amended by C 74 of the Acts of 1959, that "a voter may, except within a period beginning with the thirty-first day prior to a primary and ending with the day prior thereto, establish, change or cancel his enrolment by forwarding to the Board of Registrars of Voters a notarized certificate" requesting the same, comes within the purview of the second paragraph of G L, C 50, S 4, which provides that "All certificates of nomination and nomination papers and other papers pertaining to primaries and elections required by law to be filed on or before a specified day shall be filed not later than five o'clock in the afternoon of said day".

It was the opinion of the Acting Corporation Counsel that the paper in question was not a certificate of nomination or a nomination paper, or other paper pertaining to a primary or election, but was a paper pertaining to the enrolment of a voter in a political party, and so did not come within the provision of the second paragraph of G L, C 50, S 4.

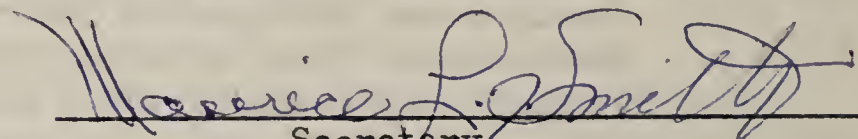

Therefore, it was his opinion that there being no hour specified in G L, C 53, S 38, as amended, a voter might cancel his enrolment up to 10 o'clock in the evening indicated by G L, C 51, S 26, as the time limit for definitively establishing the voting list.

Acting thus upon the advice of the Law Department as set forth on the preceding page, and received from Acting Corporation Counsel, Mr. William A. McDermott, it was moved, seconded and voted that affidavits requesting a cancellation of party enrolment, received after 5 P.M. on 17 August 1962, be accepted and recorded.

Voting in the affirmative - Commissioners Smith and Pfau.

Voting in the negative - Commissioner Lasker.

Dear Mr. Mayor:

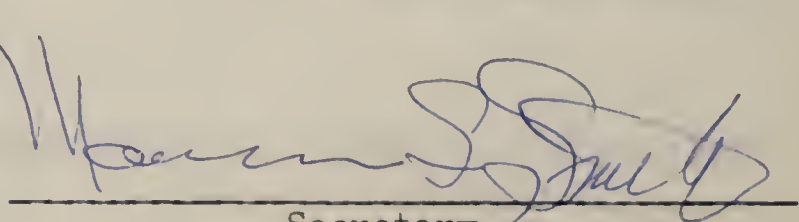

I would like to call to your attention the fact that the Election Department is short-handed and in need of additional Assistant Registrars of Voters. It is really a miracle that we have been able to perform as well as we have under the situation as it presently exists.

The Board of Election Commissioners has requested that I write you this letter to see if it is possible to have additional Registrars appointed.

We have had many retirements and expect to have more in the near future, and I don't wish to see this department suddenly caught with very few employes to carry on.

Mr. Duffy of the Printing Division; also Mr. Peter Lynch and Mr. William S. Cummings of this department.

There was a general discussion at this time relative to obtaining the Police Listing at the same time that the Printing Division received their copy.

It was agreed that we would get a duplicate of what was given to the Printing Division; i.e., the yellow card that shows new listing at a particular address (of people who have come in from out of state, of people who have become twenty-one years of age); also a white card which represents a correction of some type - and that we would get these cards at the time they are furnished the Printing Division; and that we would get from the Printing Division exactly what we got last year, in other words a Police List.

This being the first meeting with Police Commissioner McNamara, it was VOTED that he act as Chairman of the Listing Board, and Joseph Russo continue as Secretary of said Board.

VOTED to conclude this part of the meeting.

At this part of the meeting John Reilly, Chief Voting Machine Custodian, appeared before the Board and reported that he was now in the process of getting approval for the Temple on Phillips Street to be used as a polling place instead of Carnegie Institute, 65 Anderson Street, Ward 5, Precinct 4; and stated further that there definitely was a chance to get into the old Winchell School in place of the Department of School Buildings, Ward 3, Precinct 5. Mr. Reilly felt by the next meeting of the Board that these two polling locations would be settled.

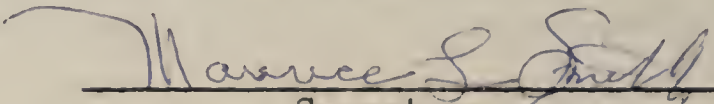

Then followed a discussion on the new laws effecting the counting of absent voter ballots at which Mr. William S. Cummings, "Acting" Head Assistant Registrar of Voters was present.

It was voted that the postmark would be evidence of mailing outside the city. However, the postmark would not be the only evidence, and if a ballot was received and the cancellation on the mailing envelope showed Boston, Mass. then the affidavit of the ballot envelope would be examined and if it showed that the voter marked his ballot in a city or town outside of Boston, then the ballot would be accepted.

The question of whether or not we would ask the staff in the office to assist in the counting of absentee ballots was put over until the next meeting.

It was determined that at 12 o'clock noon on November 5th, the day of the City Election, Mr. Herbert Meyer would have charge of opening the mailing envelopes containing the absentee ballots, and would supervise the further duties as required by Section 6 of Chapter 374 of the Acts of 1963.

Mr. John McCarthy was assigned by the Board to have charge of the counting of absentee ballots, following the hour for the closing of the polls on the day of the City Election, November 5th. He is to be assisted by four of our Assistant Registrars (office staff), and four Outside Assistant Registrars, who will serve as tellers. These men are to be requested to call at this office to get special instructions from Mr. Cummings relative to their duties.

All counting of absentee ballots is to be done at the office of the Sealer of Weights and Measures, 105 City Hall Annex.

At the conclusion of the discussion on the counting of absentee ballots the Board then considered some of the difficulties of the new I.B.M. system. The Board feels that we should have some relief from I.B.M. on the difficulties and problems we are experiencing with our Police Lists and Supplementary Voting Lists, and that the office of the I.B.M. should be requested to iron them out.

At this meeting Mrs. Murray Cooper and Mrs. Edwin Abrams of the Boston League of Women Voters came before the Board and informed the members that they are five trucks short for mobile registration - in other words that they only had 17 trucks and 22 are needed. They further informed the Board that there are 8 trucks coming from HERTZ, and they would like to have 8 drivers for the same.

In regard to the paraphernalia necessary for mobile registration, they would like to have included a street book in each truck. This would enable the checking of people standing in line to ascertain whether or not they were waiting in the proper place to be registered.

They made one further request - that the mobile units be permitted to register voters at Blair's, Stop & Shop, etc. Chairman Greene said that inasmuch as this would be private property it would be advisable for him to check with the Law Department.
